CAREER OBJECTIVE

Motivated entry-level Computer Science student seeking an opportunity to apply strong programming, analytical, and problem-solving skills to develop and maintain software solutions. Eager to work within structured development methodologies, contribute to real-world applications, and gain hands-on experience in system development, testing, and optimization within a technology-driven environment.

EDUCATION

PUC .in Science

June 2021 – June 2023

Government pu college, Tiptur

Percentage: 87

B.E. in Computer Science and Engineering

Sep 2023 – Jun 2027

Kalpataru Institute of Technology, Tiptur

CGPA: 8.5 / 10.0

TECHNICAL SKILLS

Programming Languages: Python (Basics), Java, C

AI & Generative AI: Prompt Engineering, ChatGPT, OpenAI APIs

Data Science: Pandas, NumPy, Data Visualization

Web Development: HTML, CSS, JavaScript

SOFT SKILLS

Communication , Team Leadership , Time Management

PROJECTS

CropCare 360 (AI-Based Agriculture Solution)

2025

- **Group Size:** 4
- **Role:** Developed assigned modules, collaborated with teammates, participated in testing, and helped integrate the final application.
- **Outcome:** Developed an AI-powered agriculture platform that analyzes crop data and delivers actionable recommendations for better farming decisions.

Agriverse AI (AI-Powered Agriculture Investment Platform)

2026

- **Group Size:** 4
- **Role:** Worked on assigned features, collaborated with the team, tested the application, and helped resolve issues.
- **Outcome:** Built an AI-powered platform that provides data-driven agriculture investment recommendations, helping users make informed investment decisions.

CERTIFICATIONS

Cisco Networking Academy – Python, AI & Networking Basics

2025 – 2026

- Python Essentials 1
- Introduction to Modern AI
- Networking Basics

ACHIEVEMENTS / AWARDS

Neuro Nex, Hassan Rajeev Institute of Technology — Participated

2026

- Built a Disaster Response and Volunteer Coordination Platform, a web-based system designed to support emergency response during natural disasters such as floods, earthquakes, landslides, and fires.
